### 3. SCOPE

This policy applies to students Morling College students enrolled in the Faculty of Education.

### 4. POLICY STATEMENT

Morling College Morling College recognises that students' circumstances may change over the course of their period of study and that there may be times when a Leave of Absence (LOA) from their study may be required.

Morling College encourages students to effectively communicate their needs and altered circumstances with College staff in a timely manner in order to assist students when making decisions about their academic goals and expected outcomes. While advice may be given, it is ultimately the student's responsibility to manage their course enrolment and course completion within the expected timeframes.

## 5. PRINCIPLES

### Time constraint

- 5.1 A LOA does not extend the maximum time to complete a course. For example, if a student takes LOA equivalent to one year, and the award is to be completed within a maximum of four years, the four-year limit does not change. The student will have one year LOA and three years to undertake the required units of study to complete their course.
- 5.2 It is the student's responsibility to ensure that their unit selections are appropriate within the Award's regulations, and that they have enough Semesters left in which to complete the Award before its time limit is reached.

### Eligibility

- 5.3 To be eligible to apply for LOA, a student is required to have completed at least one unit of study in the first semester of their chosen course.
- 5.4 LOA is not an option for students at the time of the offer of a place in a course of study. Alternatively, the commencement of a course may be deferred prior to commencement by contacting the Registrar.
- 5.5 LOA is not an option for a student after the commencement of a semester. Students must refer to the following policies in order to understand the best option for them:  
Special Circumstances Policy: Education; Counselling, Chaplaincy and Spiritual Care;  
Compassionate Withdrawal Policy: Education; Counselling, Chaplaincy and Spiritual Care.
- 5.6 Students are required to be up to date with their financial commitments to MC. Students with outstanding fees or fines may be excluded from taking LOA until outstanding monies are paid.
- 5.7 Students do not require an LOA:
  - for non-enrolment in Semester 3, as it is an optional
  - if they complete a Unit in one semester within a year (calendar or financial). NB Semester 3 is counted as part of the year in which the

Semester starts.

- 5.8 If a student anticipates that they will be requiring numerous LOA periods over the course of their studies, then they should consider a Variation to Enrolment or withdrawal.

#### Duration and Number

- 5.9 A single LOA is for *one year* (calendar or financial) during the course of study.
- 5.10 Periods of LOA cannot be consecutive. Students are required to return to study in the year after a LOA.
- 5.11 Providing they can complete the course requirements within the stated course time limits, the maximum number of LOA's a student may normally may apply for during their course of study is:
- three for a Masters course, or
  - two for a Graduate Diploma course.

#### Application

- 5.12 An application for a LOA for a course of study must be made on the Faculty of Education's Request for Leave of Absence form and lodged by the administration date prior to the commencement of the Semester in which the LOA is to start.
- 5.13 Refer to Leave of Absence Procedure: Education; Counselling, Chaplaincy and Spiritual Care.

#### Conditions

- 5.14 LOAs do not attract a fee.
- 5.15 Access to Moodle will be suspended for the duration of the LOA period.

#### Re-commencement of studies

- 5.16 After a period of LOA, a student must re-commence their studies by following the normal re-enrolment process.
- 5.17 Alternatively, if a student fails to re-enrol in a unit in the course following:
- 2 consecutive semesters of LOA, or
  - the completion of a fourth LOA
- they will be deemed to have withdrawn from the course.
