4. POLICY STATEMENT

Morling College is committed to complying with the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 (the National Code), which restricts providers from enrolling transferring students prior to the student completing six months of his or her principal course of study, except for the circumstances outlined in the standard.

Providers, from whom a student is seeking to transfer, are responsible for assessing the students request for transfer within the restricted period. It is expected that the student's request will be granted where the transfer will not be to the detriment of the student.

After completing the first six months of the principal course no restrictions apply.

Morling College has determined circumstances where it will:

- a. will approve request to transfer to another provider prior to completion of six months of study in the principal course
- b. will refuse student's request to transfer to another provider prior to completion of six months of study in the principal course.

5. PRINCIPLES

Students seeking to enrol at Morling College

5.1 Circumstances Eligible for Enrolment

The MC will not enroll a student wishing to transfer from another registered provider's course prior to the student completing a minimum of six months of that principle course except where:

- a. the original provider has ceased to be registered
- b. the course in which the student is enrolled has ceased to be registered
- c. the original provider has had a sanction imposed on its registration that prevents the student from continuing his/her course
- d. any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change

- e. they comply with 5.2 and 5.3 below.

5.2 Letter of Release

Students wishing to transfer to the MC before they have completed six month of study in their principal course for reasons other than those outlined above will need to request a letter of release from their primary provider. Once a letter of release has been provided, students are welcome to apply for a course at MC, and for a Confirmation of Enrolment (CoE) to be issued.

5.3 Good Reports

MC will only enrol an overseas student who has completed or partially completed another relevant course if MC is satisfied that:

- (a) the student had demonstrated a commitment to studies in that previous course; and
- (b) had a good attendance record for that course; and
- (c) had paid all the fees required for that course.

At application, students who have previously enrolled in relevant courses must authorise the Registrar at MC to obtain official records and other information about commitment to study, attendance and fee payment history from relevant educational institutions attended by the student.

Only if the student has good reports in each of these areas will the Registrar approve admission to the course in the affiliated college.
